The Etiwanda Excellence in Education (E3) Foundation supports Etiwanda students by raising funds for projects throughout the district. Over the past twelve years, E3 has donated over \$650,000 to the Etiwanda School District schools, in addition to managing After-School Enrichment programs (ASP) for interested schools in the district. The E3 Foundation earns its money primarily through the 2K/5K Fun Run, the Driving Force Excellence Golf Tournament and through individual donations. Thank you for your continuous participation in our programs and for the financial support you give as you're an important part in our success!

We are calling on your generosity. Would you consider signing-up for a monthly payroll deduction to the E3 Foundation? Your donation can be in any amount. Even small recurring donations of one to five dollars are effective. Some ask, why should I give? Your donation, when combined with other generous donors, has a larger accumulative effect. As a result, your dollars have more purchasing power to obtain items that impact more students and teachers. During the 2019-20 school year, E3 also gave approximately \$35,000 back to schools participating in the After-School enrichment program, provided \$12,000 in Innovation Grants to Etiwanda teachers, paid for awards for the BOB competition, and provided refreshments for four district-wide parent engagement events.

Will you help us with your donation? Please complete the Payroll Contribution Form and return to the payroll department. Your donations are tax deductible and will support students and programs throughout the district. If you are a current donor, your donation will continue for this new school year or you may increase your donation by completing the enclosed form. One-time gifts are also appreciated.

Thank you again for your support as all donations will be gratefully accepted.

Sincerely,

A handwritten signature in black ink that reads "Julie Hilberg". The signature is written in a cursive, flowing style.

Julie Hilberg
E3 President
