

New Kaiser Permanente Clinics in Target Stores

NEW Kaiser Permanente Clinics in Target Stores

Date: June 2019

Kaiser Permanente is making health care more accessible by opening up Target store clinics throughout Southern California. If you are a Kaiser member, you pay the same *or less* copay, coinsurance, or deductible that you would pay at any other Kaiser Permanente facility. These clinics offer walk-in care and general health care services including pediatric care, women's health care, chronic condition monitoring/testing, basic dermatology, vaccinations, allergies, and treatment for some illnesses including strep throat, earaches, asthma, cold, and flu. Target clinics **DO NOT** provide emergency care.

Non-Kaiser members can also get care at these clinics because they accept a variety of other health insurance plans and, if the patient has no coverage, they can still get care and just pay out of pocket (typically around \$85 for the office visit).

All Target Clinic locations have the following hours:

Monday – Friday 9:00am – 2:00pm AND 2:30pm – 7:00pm

Saturday – Sunday 11:00am – 2:00pm AND 2:30pm – 4:00pm
