ANNOUNCING PARENT DIGITAL LOCKERS

In an effort to improve communication and access for parents, the Etiwanda School District has developed Digital Lockers for virtual school-to-home communication.

Parents/Guardians will receive an email at the address provided in their Aeries Parent Portal. Email notifications include a secure link to their Digital Locker. From there, parents/guardians enter uniquely identifying information about their child to open the locker, view, download, and/or save the documents to personal devices.

Please note, documents placed in the Digital Lockers will expire in 30 days. A reminder email is sent to families who have not viewed the document within 10 days of receiving the email.

If you have questions about your Digital Locker or how to access your documents, please contact your school office.
