School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

PRINCIPAL'S MESSAGE

The purpose of the School Accountability Report Card is to provide parents with information about Day Creek Intermediate School's instructional programs, academic achievement, materials, facilities, and staff. Day Creek Intermediate School has an ongoing tradition of academic excellence and welcomes this opportunity to tell you more about us.

The staff at Day Creek Intermediate School believes every child is unique and deserving of a rich educational environment. Our developmental, student-centered program design offers caring teachers who possess strong professional concern for all students at all ability levels; multiple programs to support developing adolescents; and culturally-diverse, mixed-ability classrooms where students feel comfortable engaging in learning from one another. Each student has access to a rigorous core curriculum in language arts, mathematics, science, and social science.

Our mission statement, "Developing intellectual, personal and social abilities, creating an atmosphere of acceptance and honor, instilling respect and appreciation for the arts and humanities, and supporting students in their quest for academic excellence," reflects our vision that failure is not an option. We believe in a student-centered approach that provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given the opportunities to develop those talents. Parents and the community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement.

DISTRICT & SCHOOL PROFILE

Etiwanda School District serves over 14,000 TK-8 students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. The district currently operates thirteen TK-5 elementary schools and four intermediate schools (grades 6-8) and a Community Day School. Etiwanda's graduating eighth-grade students are served by Chaffey Joint Union High School District for grades 9-12. Homeschooling program, preschool program, and childcare are provided at some schools within the district. More information is available on the district website or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

Day Creek Intermediate is one of Etiwanda's newer schools located in the northwest quadrant of the district boundaries educating students in sixth, seventh, and eighth grades. During the 2018-2019 school year, about 1,300 students residing in the city of Etiwanda were enrolled. Day Creek Intermediate places a great emphasis on positive self-image as well as on education. School staff is committed to providing students with the necessary skills to be productive in high school, college, and future careers.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September 2015

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

On September 27, 2018, the Etiwanda School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1819-22 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw Hill, Study Sync (Grades 6 - 8)	Yes	0%
Mathematics	McGraw-Hill, California MATH (Grades 6 - 8)	Yes	0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Day Creek Intermediate provides a safe and clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2004. Ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

Day Creek Intermediate is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained and beautiful campus.

School staff and the maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) oversees a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Work orders are prepared and submitted to M&O through the collective efforts of the school secretary, clerk, and custodian. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal and day custodian communicate daily on an informal basis to discuss campus maintenance and safety concerns. Etiwanda School District's director of maintenance and operations (M&O) meets with the principal once a month to discuss maintenance-related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O then meets with the custodian to conduct a comprehensive inspection of the school site, and a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

Day Creek Intermediate's custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian and one full-time afternoon custodian are responsible for keeping the campus clean and fully operational. The custodian's daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of groundskeepers each week to maintain Day Creek Intermediate's landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. These repairs typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	81.0	81.0	68.0	71.0	48.0	50.0
Mathematics (grades 3-8 and 11)	76.0	78.0	58.0	61.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1307	1291	98.78	81.33

Students with Disabilities	134	130	97.01	36.15
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	10.8	27.5	52.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to be involved in their child's learning process by attending school events, serving on school committees, and volunteering at the school. The staff welcomes parent assistance in the classroom and library as well as chaperoning field trips and school events. Back to School Night, Open House, Renaissance recognition events, student performances, Family Fun Nights, Family Education Nights, Halloween Bash, 8th Grade Picnic, Watch D.O.G.S., and PTSO-sponsored activities provide opportunities for parents to interact with school staff and other families in their community while supporting their child's efforts. The School Site Council (SSC), Parent Teacher Student Organization (PTSO), GATE (Gifted and Talented Education), LCAP (Local Control and Accountability Plan) Advisory Committee, and African American Parent and Educator Advisory Committee (AAPEAC) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school office at (909) 803-3300.

School-to-home communication takes place in a variety of formats. Every six weeks along with grades and progress reports, the school issues a newsletter featuring a message from the principal, upcoming events, a PTSO report, helpful tips for parents, and informative educational articles. The school website is a valuable resource for general information about the school, activities, programs, schedules, and staff. An automated telephone system enables school staff to quickly contact parents for urgent and important announcements and occasionally, flyers and letters are sent home for special announcements. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to Day Creek Intermediate and the district.

The formula we use to ensure academic success is everyone takes responsibility for every student. Students monitor their academic progress in core classes online through their Aeries.net accounts and organize their homework and assignment due dates with PACK planner calendars. Parents monitor their child's academic progress through online Aeries.net accounts, weekly classroom folders that include graded work, e-mail, and parent-student-teacher conferences. Teachers are available to meet with students and parents before, during, and after school and 100% of our teachers maintain TeacherWeb sites and use school e-mail. Administrators are regularly in classrooms observing students at work and offering feedback and positive comments. Students in jeopardy of failing classes meet with their parents and teachers to complete an Individual Remediation Plan (IRP) which maps out student, school, and home interventions which may include credit recovery or extra support from our Student Services Assistant.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2018-19)

The Comprehensive School Site Safety Plan was originally developed for Day Creek Intermediate in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The most current school safety plan was reviewed and updated and shared with school staff in October 2018.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Please note - Salaries are paid by the district on behalf of the school sites. School expenditures do not include contract salaries.

In addition to general fund state funding, Etiwanda School District receives state and federal categorical funding for special programs. For the 2017-2018 school year, the district received approximately \$1,190 per student in federal, state, and local aid for the following categorical, special education, and support programs:

- Class Size Reduction
- Special Education
- Title I

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Professional Development (Most Recent Three Years)

All training and curriculum development at the Etiwanda School District are aligned to student assessment results, federal and state accountability requirements, our LCAP, and state content standards.

During the 2018-19 school year, our staff participated in two to three district sponsored professional development and planning days. Staff participated in each of the professional development opportunities through all day sessions. Follow-up support within the classroom or as a campus staff occurred as requested by teachers, administrators, or other identified needs.

Training sessions offered throughout the school year included:

Content Areas/Standards:

- i-Ready Diagnostic Assessments (administration, accommodations, reports usage, data analysis)
- Language Arts program training for whole group and small group
- Writing to Communicate

- Mathematical Concepts and Problem Solving
- Project Read
- Step Up to Writing

Engagement:

- Kagan Cooperative Learning
- Classroom Management (New Teachers and Induction)

Universal Access:

- Planning for the Range of Learners
- Behavior Management (SPED and General Ed)
- Crisis Prevention Intervention and Intensive Behavior Techniques
- Special Education-policy, procedures, accountability
- Effective IEP Writing
- Special Populations (Induction-General Education)
- English Language Learners (proficiency expectations, standards, and instruction)

Culturally Responsiveness:

- Towards Equity (Induction)
- Generation Ready (site administrators, clerical, professional development, district administrators, other support staff)

CAASSP System and Tools:

- CAA Instruction, assessment and other protocols
- ELA and Math (SBAC/Scope & Sequence, practices, and approaches)
- Smarter Balanced Administration, Item Specs, Accommodations and Supports

Technology:

- Devices: Chromebook and iPad
- Online Program Resources
- Google Applications for Educators
- Learning.com, Illuminate, other district implemented platforms

Site Administrators:

Etiwanda School District supports school administrators, new teachers, veteran teachers, substitute teachers, and instructional assistants in developing their teaching skills. For several years, the primary/major areas of focus for staff development were aligned to the new academic standards (Common Core State Standards), 21st Century learning and teaching, technology, Universal Access, and meeting the needs of special populations and our English learners. In the last year, our district focus has narrowed its focus to meeting the needs of all learners; developing teacher clarity and approaches to planning that aligns directly to the concepts and skills that individual students need to master the academic standards. Closing the Achievement Gap, cultural responsiveness through a focus on school culture have become our leading force for positive change. District focus areas selected are based on state and local policies and student need. In addition to the above, stakeholder feedback (parents, students, and educators), data analysis of state summative assessments, local diagnostics, and formative classroom assessments determine professional development focus areas. Professional development is delivered through multiple methods: individual support, grade level teams, one-day during the workday sessions (grade level or grade span specific), conference style self-selected topics, as well as outside vendor sessions, based on site needs.

All teachers are supported during this implementation period through multiple district sponsored professional development opportunities such as publisher sessions, district professional development sessions, district/site representative articulation, grade level collaboration, and site staff meetings. In addition to the above, teachers may seek in-class support from professional development providers. All staff members are encouraged to attend additional, non-district-sponsored workshops and conferences. New teachers, experienced teachers, TOSAs, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools.

New teachers are enrolled into the ESD Induction Program, a state-sponsored program designed for first- and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. Candidates attend specific sessions related to the implementation of district technologies, assessments, and scope and sequences. In addition, new teachers attend (prior to the start of the school year) sessions on equity, special populations, classroom management, and pedagogical approaches and practices. Monthly Induction support meetings focus on implementation and growth within the California Standards for the Teaching Profession.

Teachers experiencing difficulty or in need of improvement may voluntarily select or be required to participate in the Peer Assistance and Review process. A consulting support teacher is assigned to the teacher. The support teacher meets on a regular basis with the teacher, observes the classroom, and makes suggestions for staff development.

Etiwanda's Professional Development Providers/Teachers on Special Assignment (TOSA) further develop their capacity to instruct and support teachers through professional reading, outside vendor conference attendance, and professional collaborative workshops on supporting teachers, pedagogy, and student achievement.

Paraprofessionals or classified employees are prepared to work in their role through yearly staff notification sessions (online and in-person) as well as trained to work with colleagues and students through staff development sessions and meetings. They may also receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are selected workshops offered through West End SELPA for both certificated and classified personnel.

Non-instructional support staff is prepared to work in their role through yearly staff notification sessions (online and in-person) and ongoing staff development during the day meetings/sessions around topics related to state and local policies, procedures, and practices.
