School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

SCHOOL VISION

Grapeland Elementary School will be every child's favorite place to be.

SCHOOL MISSION

Grapeland Elementary School is committed to providing a quality education with an emphasis on academics. We believe students are our highest priority. All students are capable of learning and are worthy of our best efforts. All students should have access to a balanced, rigorous, standards-based curriculum derived through a quality instructional program. All students will flourish in an atmosphere of love and respect while maintaining a safe and orderly environment.

DISTRICT & SCHOOL PROFILE

Etiwanda School District serves over 14,000 TK-8 students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. The district currently operates thirteen TK-5 elementary schools and four intermediate schools (grades 6-8) and a Community Day School. Etiwanda's graduating eighth-grade students are served by Chaffey Joint Union High School District for grades 9-12. Homeschooling program, preschool program, and childcare are provided at some schools within the district. More information is available on the district website or by contacting the district office at (909) 899-2451.

Grapeland Elementary is a small neighborhood school located in the central region of the district boundaries. Grapeland serves approximately 610 preschool through grade 5 students residing in the city of Etiwanda.

District-sponsored, fee-based childcare is available Monday through Friday for Grapeland Elementary school-age students. The childcare center is open from 6:30 a.m. to 6:00 p.m. Participating students are provided enrichment activities in art, music, literature, and physical education. More information about the childcare program may be obtained from the district website or school office staff.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2019

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education’s six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state’s adoption.

On September 26, 2019, the Etiwanda School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1920-23 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

School Facility Conditions and Planned Improvements (Most Recent Year)

Grapeland Elementary provides a safe and clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2002. Ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

Grapeland Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained and beautiful campus.

School staff and the maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) oversees a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. The school secretary coordinates with the principal and custodian to prepare and submit work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal and day custodian communicate daily to discuss campus maintenance and safety concerns. The director of maintenance and operations (M&O) meets with the principal once a month to discuss maintenance-related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O then meets with the custodian to conduct a comprehensive inspection of the school site, and a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

Grapeland Elementary’s custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian’s daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Restrooms are checked twice during school hours as a proactive measure to keep facilities stocked, safe, and sanitary. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of groundskeepers each week to maintain Grapeland Elementary’s landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. These repairs typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	70	77	61	61	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to be involved in their child’s learning process by attending school events, serving on a school committee, and volunteering at the school. The staff welcomes parent assistance in the classroom, library, teacher prep room, and field trips. Back to School Night, Open House, student performances, Parent Nights (math, reading, and PE Fitness), food drives, parent education workshops, fundraising events, and PTA sponsored activities provide opportunities for parents to interact with school staff while supporting their child’s efforts. The School Site Council (SSC), English Language Advisory Council, Parent Teacher Association (PTA), and African American Parent and Educator Advisory Committee (AAPEAC) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school secretary at (909) 463-7026.

School-to-home communication takes place in a variety of formats. The school communicates each week via phone and an e-mail message. The newsletter features a message from the principal, student recognition announcements, and a calendar of upcoming events. The school website features general information about the school and its activities, programs, and staff. Some teachers provide class newsletters to share class activities and assignments with parents. An automated telephone/e-mail system enables staff to quickly contact parents for important information and reminders. Flyers are distributed via hard copy and e-mail. In addition to direct telephone contact, teachers encourage parents to use e-mail to share or obtain information about their student’s progress.

Parents may access the Parent Portal to view resources that support student learning, study skills, research, and enrichment. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to Grapeland Elementary and the district.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was originally developed for Grapeland Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The most current school safety plan was reviewed in August 2019 and updated in December 2019. The School Safety Plan is shared with the staff annually. In addition, the School Safety Plan was reviewed by the Rancho Cucamonga Police Department and then approved by our School Site Council in January 2020.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	153	110	117

All training and curriculum development at the Etiwanda School District are aligned to student assessment results, federal and state accountability requirements, our LCAP, and state content standards.

During the school year, our staff participate in two to three district-sponsored professional development and planning days. Follow-up support within the classroom or as a campus staff occurs as requested by teachers, administrators, or other identified needs.

Training sessions offered throughout the school year include:

Content Areas/Standards:

- i-Ready Diagnostic Assessments (administration, accommodations, reports usage, data analysis)
- English Language Arts and English Language Development (ELA/ELD) program training for whole/small group ELA instruction and integrated/designated ELD instruction
- Writing to Communicate
- Mathematical Concepts, Fluency and Problem Solving
- Project Read
- Step Up to Writing
- Next Generation Science Standards and Framework
- Guided Reading

Engagement:

- Kagan Cooperative Learning
- Classroom Management and Effective Environments (New Teachers and Induction)

Universal Access:

- Planning for a Range of Learners
- Positive Behavior Intervention and Support (PBIS)
- Behavior Management
- Crisis Prevention Intervention and Intensive Behavior Techniques (Special Education)
- Special Education Accountability
- Effective IEP Writing
- Special Populations (Induction)
- English Language Acquisition

Cultural Proficiency:

- Towards Equity (Induction)
- Culturally Responsive Teaching and Learning

CAASSP System and Tools:

- CAA Instruction and Assessment
- ELA and Math SBAC/Scope & Sequence
- Smarter Balanced Administration, Item Specs, Accommodations and Supports

Technology:

- Chromebook and iPad Use
- Online Program Resources
- Google Applications for Educators
- Learning.com, Illuminate, other district technology platforms

Site Administrators:

- LCFF/LCAP, MTSS/RtI, Cultural Proficiency

Other:

- Substitute Teacher Training
- Classified Staff Training (Instructional Aides)

All teachers are supported through multiple district-sponsored professional development opportunities such as district professional development sessions, grade level collaboration, and site staff meetings. In addition to the above, teachers may seek in-class support from professional development providers. All staff members are encouraged to attend additional, non-district sponsored workshops and conferences. New teachers, experienced teachers, TOSAs, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools.

New teachers are enrolled in the ESD Induction Program, a state-sponsored program designed for first- and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over two years. Candidates attend specific sessions related to the implementation of district technologies, assessments, and scope and sequences. In addition, new teachers attend (prior to the start of the school year) sessions on equity, special populations, classroom management, and pedagogical approaches and practices. Targeted professional development is also provided based on a candidate's individual learning plan. Monthly Induction support meetings focus on implementation and growth within the California Standards for the Teaching Profession.

Teachers who experience difficulty or are in need of improvement may voluntarily select or be required to participate in the Peer Assistance and Review process. A consulting support teacher is assigned to the teacher. The support teacher collaborates regularly with the teacher, observes the classroom, and provides feedback for staff development.

Etiwanda's Professional Development Providers/Teachers on Special Assignment (TOSA) further develop their capacity to instruct and support teachers through professional reading, outside vendor conference attendance, meta-coaching opportunities, and professional collaborative workshops on supporting teachers, pedagogy, and student achievement.

Paraprofessionals or classified employees are prepared to work in their role through yearly staff notification sessions (online and in-person) as well as trained to work with colleagues and students through staff development sessions and meetings. They may also receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are selected workshops offered through West End SELPA for both certificated and classified personnel.

Noninstructional support staff is prepared to work in their role through yearly staff notification sessions (online and in-person) and ongoing staff development during the day meetings/sessions around topics related to state and local policies, procedures, and practices.
