## School Accountability Report Card

### Reported Using Data from the 2013-14 School Year

#### Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

## School Description and Mission Statement (Most Recent Year)

---

### SCHOOL MISSION

We will reach for the stars, for the stars are in reach. We will learn all we can from those who teach. A teacher, principal, parent, or friend, can help put the stars within reach in the end. We will all work together, learning each day. We know education is golden, and Golden we will stay!

### DISTRICT & SCHOOL PROFILE

The Etiwanda School District has provided 'Excellence in Education' for students since its beginning in 1883. The district has grown from a rural one-school district to a mid-sized suburban district that provides an exemplary instructional program for approximately 13,500 students at 16 school sites: twelve (TK-5) elementary schools and four (6-8) middle schools. The district also offers a Preschool Program and Transitional Kindergarten. The rich history of the Etiwanda school system and the value of education have always played an important role in this community. Etiwanda School District serves students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. Etiwanda's graduating eighth grade students are served by Chaffey Joint Union High School District for grades 9-12. More information about Child Care and Preschool may be acquired through the district's web site or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

John L. Golden Elementary serves over 900 students who reside in the northwest quadrant of the district's boundaries. Student success is valued, and attributed to a dynamic teaching staff, dedicated support staff, and strong parental involvement. Education of the whole child is valued at Golden. In addition to a rigorous academic instruction, students benefit from programs that support the arts, hands-on science through gardening, and community service.

District-sponsored, fee-based child care is available Monday through Friday for John L. Golden Elementary school-age students. The day care center is open from 6:30 AM. to 6:00 PM. Participating students are provided enrichment activities in art, music, literature, and physical education. More information about the day care program may be obtained from the district's web site or school office staff.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

All Schools in District	100.00	0.00
High-Poverty Schools in District	100.00	0.00
Low-Poverty Schools in District	100.00	0.00

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)**

**Year and month in which data were collected:** September 2014

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education’s six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state’s adoption.

On September 11, 2014 the Etiwanda School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1415-22 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

<b>Core Curriculum Area</b>	<b>Textbooks and Instructional Materials/ Year of Adoption</b>	<b>From Most Recent Adoption?</b>	<b>Percent of Students Lacking Own Assigned Copy</b>

**School Facility Conditions and Planned Improvements (Most Recent Year)**

John L. Golden Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2001; ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

John L. Golden Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained, beautiful campus.

School staff and the district’s maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. The school secretary is responsible for the preparation and submission of work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal has an open door policy and encourages the custodian and Etiwanda School District’s director of maintenance and operations (M&O) to discuss any maintenance related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O meets with the custodian to conduct a comprehensive inspection of the school site; a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

John L. Golden Elementary’s custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian’s daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Restrooms are checked frequently throughout the day as a proactive measure in keeping facilities stocked, safe, and sanitary.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of grounds keepers each week to maintain John L. Golden Elementary’s landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### California Assessment of Student Performance and Progress / Standardized Testing and Reporting Results for All Students in Science (Three-Year Comparison)

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
<b>Science (grades 5, 8, and 10)</b>	88	83	86	79	79	80	60	59	60

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-14)

Group	Percent of Students Scoring at Proficient or Advanced
All Students in the LEA	80
All Student at the School	86
Male	88

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Academic Performance Index Ranks (Three-Year Comparison)

API Rank	2010-11	2011-12	2012-13
Statewide	9	9	10
Similar Schools	5	6	9

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

### Academic Performance Index Growth by Student Group (Three-Year Comparison)

Group	Actual API Change		
	2010-11	2011-12	2012-13
All Students at the School	22	5	5

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

### California Physical Fitness Test Results (School Year 2013-14)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	14.0	17.7	59.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (Most Recent Year)

---

Parental involvement is very important to Etiwanda School District and John L. Golden Elementary School. This state priority as part of LCAP is critical for our school to continue to strive for excellence in education.

Etiwanda School District organized multiple community forums that allowed parents to participate in discussions with site administrators from across the district and district administrators. During these sessions, parents were provided with a presentation from our Assistant Superintendent of Curriculum and Instruction about Etiwanda's Local Control and Accountability Plan (LCAP). Parents then participated in rotations that allowed them to become more familiar with the state priorities as outlined in LCAP. This included a question and answer period. Parent recommendations were also taken for future consideration. In November of 2014, the district and each school site provide opportunities for parents to provide feedback for the direction of the district and school site. This was done during Parent-Teacher Conference Week in an effort to encourage parental involvement through these parent surveys that were available electronically or paper. Additionally, at John L. Golden Elementary, an additional survey was sent to parents in grades 3-5 to provide feedback for direction of after school activities that parents and students would be interested in for the current school year. This has helped to shape a variety of new programs that we now offer here at Golden.

Parents are encouraged to be involved in their child's learning process by attending school events, serving on school committees, and volunteering at the school. The staff welcomes parent assistance in the classroom, library, preparing classroom materials, and chaperoning field trips. Back to School Night, Open House, student programs and performances, Harvest Festival, Reindeer Lane, and PTA-sponsored activities provide many opportunities for parents to interact with school staff while supporting their child's educational program. The School Site Council (SSC), English Language Advisory Council, and Parent Teacher Association (PTA) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school secretary (Laura Jordan) or clerk (Jennifer Marinello) at (909) 463-9105.

School-to-home communication takes place in a variety of formats. The principal issues a bi-monthly newsletter to update parents on what's happening in school, upcoming events, seasonal topics, PTA meeting dates, health and safety tips, fundraising projects, and student recognition. The school's web site features general information about the school and its activities, programs, and staff. The school marquee, flyers, automated telephone system, classroom newsletters, and parent conferences are used to convey important messages, reminders, and announcements concerning students and school activities.

Parents may access ESPRI (Etiwanda Student Parent Resource Interface) to view resources that support student learning, study skills, research, and enrichment. Parents are able to receive e-mails every time their child takes an Accelerated Reader test through Renaissance Place. This provides them with quick updates of how their child is progressing on his or her reading comprehension. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to John L. Golden Elementary and the district.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
<b>Suspensions</b>	0.7	0.4	1.02	1.9	1.5	2.05	5.7	5.1	4.4
<b>Expulsions</b>	0.0	0.0	0	0.0	0.0	0	0.1	0.1	0.1

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

### School Safety Plan (Most Recent Year)

The Comprehensive School Site Safety Plan was developed for John L. Golden Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, anti-bullying policy, sexual harassment policy, and dress code policy. John L. Golden Elementary's most current school safety plan was reviewed and updated in September 2014. Parent and staff representatives reviewed and approved the School Safety Plan during a School Site Council meeting in October 2014. In addition, the district's School Resource Officer reviewed and approved the plan.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Types of Services Funded (Fiscal Year 2013-14)

Please note - Salaries are paid by the district on behalf of the school sites. School expenditures do not include contract salaries.

In addition to general fund state funding, Etiwanda School District receives state and federal categorical funding for special programs. For the 2013/14 school year, the district received approximately \$2405 per student in federal, state, and local aid for the following categorical, special education, and support programs:

- Class Size Reduction
- Special Education
- Title I (For specific sites)

### Teacher and Administrative Salaries (Fiscal Year 2012-13)

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

### Professional Development

Etiwanda School District provides training and curriculum development in multiple areas. A major focus is on the implementation of the California Common Core Standards (CCCS). In support of LCAP state priority #2, the implementation of the academic content and performance standards adopted by the State Board, including how the programs and services will enable English learners to access the Common Core academic content standard, the school district has been providing professional development days that focus on providing teacher training, teacher education, professional dialogue, and collaboration time around the premise of supporting teachers so that they can support all students learn. This includes development of pacing guides and blueprints for teachers across grade levels as our teachers embrace the new standards. Teachers have had the opportunity to meet district-wide in grade level groups for grade-level specific training on the new standards and implementation. They have also had the opportunity to meet with professional development trainers as school site teams to continue trainings. The district has also provided training for the new math adoption to help familiarize teachers with the components that are provided in the CCCS adopted curriculum.

Additionally, all teachers and administrators have been receiving training on the research, planning, and implementation of cooperative learning strategies as a method to increase student participation and help to continue to close the achievement gap.

Teachers at John L. Golden have had the opportunity to participate in training for technology implementation ideas, strategies, and programs to support student learning and engagement.

John L. Golden Elementary staff has participated in the past on development days focused on data analysis. This has allowed teachers and administrators to continue to collaboratively analyze student performance data in an effort to continue to help students achieve.

The district sponsors professional development to supplement current programs and support ongoing district-wide program implementation. Training sessions were offered throughout the school year and included:

- Common Core State Standards - ELA and Math (SBAC / Scope & Sequence, practices and approaches)
- Technology - Math online program
- ESD Technology (New teachers and Induction)
- Classroom Management (New teachers and Induction)
- English Language Learners (instruction)
- Principal Training (SBAC, CCSS, Kagan and Induction)
- Accelerated Reader
- Substitute Training
- Read Naturally
- Behavior Management (SPED) – (Induction & New Teachers)
- Kagan Cooperative Learning
- Step Up To Writing
- Phonemic Awareness
- Towards Equity (Induction)
- Project Read

Induction/BTSA (Beginning Teacher Support and Assessment), a state-sponsored program, is designed for first and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers. Etiwanda School District has a staff of highly qualified and specially trained veteran teachers who provide BTSA support for the district's teachers.

Etiwanda School District encourages substitute teachers working in the district's schools to participate in specially-designed training sessions on effective classroom management and teaching strategies. The principal may request instructional assistants to attend district sponsored training sessions to better support classroom learning.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are a number of workshops offered through West End SELPA for certificated and classified personnel.
