## School Accountability Report Card

### Reported Using Data from the 2014-15 School Year

#### Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (Most Recent Year)**

#### **SCHOOL MISSION**

Summit Intermediate School is dedicated to promoting P.R.I.D.E. in curriculum , instruction, and personal behavior. It is our goal that individuals achieve academic excellence within our culturally diverse society through collaboration with students, parents, staff, and community.

#### **DISTRICT & SCHOOL PROFILE**

Etiwanda School District serves over 14,000 TK-8 students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. The district currently operates twelve TK-5 elementary schools and four middle schools (grades 6-8) and a Community Day School. Etiwanda’s graduating eighth grade students are served by Chaffey Joint Union High School District for grades 9-12. Home schooling program, preschool program, and day care are provided at some schools within the district. More information about these programs may be acquired through the district’s web site or by contacting the district office at (909) 899-2451.

The district’s commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district’s energetic teaching staff and strong parent and community support.

Summit Intermediate is a small, neighborhood school in a planned community located in the central region of the district’s boundaries, next door to the district office. During the 2015-2016 school year, 1,060 students in sixth, seventh, and eighth grade residing in the city of Etiwanda were enrolled.

Summit Intermediate hosts the district’s home schooling program, Etiwanda Alternative Studies Education (EASE) servicing students in grades kindergarten through eight. Participating students receive the same high quality education as other students in the district. Three full-time certificated teachers and two part-time teachers meet with students individually once a week to provide a full set of lessons in alignment with state standards in each subject area. For more information about the home schooling program or registration, parents may contact the EASE School office at (909) 803-3319.

Etiwanda’s Community Day School is located on the grounds of the Summit Intermediate campus. The Community Day School provides an alternative educational setting for at-risk students. Students are provided standards based curriculum with an emphasis on character education and problem solving. Students participate in all core subject areas and attend physical education class each day. One full-time certificated teacher, one physical education teacher, two instructional aides and an academic counselor provide a safe and caring environment. Students are placed in the Community Day School in accordance with Board Policy.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)**

**Year and month in which data were collected:** September 2015

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education’s six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state’s adoption.

On September 24, 2015, the Etiwanda School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1516-25 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

## School Facility Conditions and Planned Improvements (Most Recent Year)

Summit Intermediate provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1967; ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

Summit Intermediate is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained, beautiful campus.

School staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. The teachers, custodian, and school secretary coordinate efforts to prepare and submit work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal and day custodian communicate on a daily, informal basis to discuss campus maintenance and safety concerns. Etiwanda School District's director of maintenance and operations (M&O) meets with the principal once a month to discuss maintenance-related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O then meets with the custodian to conduct a comprehensive inspection of the school site; a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

Summit Intermediate's custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian's daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Restrooms are checked every hour by campus aides, proctors, the custodian, and administrators as a shared, proactive measure to keep facilities stocked, safe, and sanitary.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of grounds keepers each week to maintain Summit Intermediate's landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (Most Recent Year)

Parents are encouraged to be involved in their child's learning process by attending school events, serving on a school committee, and volunteering at the school. The staff welcomes parents' assistance in the school office, with school productions, and organizing activities for the Renaissance program and student recognition. Back to School Night, Open House, student performances, parent conferences, parent education nights, Family Nights, Family Fitness, Bring your Parent to School Day, Rachel's Challenge Community Night, Watch DOGS, Battle of the Books and sixth grade camp meetings provide opportunities for parents to interact with school staff while supporting their child's efforts. The School Site Council (SSC) and Parent Teacher Student Association (PTSA) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school office at (909) 899-1704.

School-to-home communication takes place in a variety of formats. The school web site is updated daily and features general information about the school, its staff, schedules, and activities. The auto-dialer telephone message system is used to notify students and their families about weekly events.

Many teachers prepare and issue class newsletters and some sponsor individual web sites. Bulletins, flyers, and letters are distributed for special announcements and reminders. Many staff members utilize "Newsflash" to distribute digital reminders to their students and parents.

Parents and students may access ESPRI (Etiwanda Student Parent Resource Interface) to view resources that support student learning, study skills, research, and enrichment. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to Summit Intermediate and the district.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.01	0.00	0.13	0.10	0.09

#### School Safety Plan (Most Recent Year)

The Comprehensive School Site Safety Plan was originally developed for Summit Intermediate in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Summit Intermediate’s most current school safety plan was updated and approved by the School Site Council at the October 2015 meeting and shared with school staff October 2015.

### Professional Development (Most Recent Three Years)

All training and curriculum development at the Etiwanda School District is aligned to student assessment results, NCLB requirements, and state content standards.

During the 2014-15 school year, our staff participated in three district sponsored site-based professional development and planning days, as well as at least one district sponsored grade level conference. Staff participated in each of the professional development opportunities through all day sessions.

Training sessions offered throughout the school year included:

- Common Core State Standards-ELA and Math (SBAC/Scope & Sequence, practices, and approaches)
- Technology-Devices: Chromebook and iPad, math program online resources, Google Applications for Educators, Learning.com, Illuminate
- CAASSP system and tools
- Classroom Management (New Teachers and Induction)
- English Language Learners (proficiency expectations, standards, and instruction)
- Site Administrators (SBAC, new academic standards, Kagan, Induction, LCFF/LCAP)
- Substitute Teacher Training
- Behavior Management (SPED)-(New Teachers and Induction)
- Special Education-policy, procedures, accountability
- Kagan Cooperative Learning
- Literacy Assessments
- Towards Equity (Induction)
- Special Populations (Induction-General Education)
- Project Read

Etiwanda School District supports school administrators, new teachers, veteran teachers, substitute teachers, and instructional assistants in developing their teaching skills. Since the 2012-2013 school year, the primary/major areas of focus for staff development were aligned to the new academic standards (Common Core State Standards), 21st Century learning and teaching, technology, Universal Access, and meeting the needs of special populations and our English learners. Areas selected are based on state and local policies and student need. In addition to the above, data analysis of state summative assessments, local diagnostics, as well as formative classroom assessments determine professional development focus areas. Professional development is delivered through multiple methods: individual support, grade level teams, one-day during the work day sessions (grade level or grade span specific), conference style self-selected topics, as well as outside vendor sessions, based on site needs.

All teachers are supported during this implementation period through multiple district sponsored professional development opportunities such as publisher sessions, district professional development sessions, district/site representative articulation, grade level collaboration, and site staff meetings. In addition to the above, teachers may seek in-class support from professional development providers. All staff members are encouraged to attend additional, non-district-sponsored workshops and conferences. New teachers, experienced teachers, TOSAs, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools.

New teachers are enrolled into the ESD Induction Program, a state-sponsored program designed for first- and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. Candidates attend specific sessions related to implementation of district technologies, assessments, and scope and sequences. In addition, new teachers attend after school sessions on equity, special populations, classroom management, and pedagogical approaches and practices. Monthly Induction support meetings focus on implementation and growth within the California Standards for the Teaching Profession.

Teachers experiencing difficulty or in need of improvement may voluntarily select or be required to participate in the Peer Assistance and Review process. A consulting support teacher is assigned to the teacher. The support teacher meets on a regular basis with the teacher, observes the classroom, and makes suggestions for staff development.

Etiwanda's Professional Development Providers/Teachers on Special Assignment (TOSA) further develop their capacity to instruct and support teachers through professional reading, outside vendor conference attendance, and professional collaborative workshops on supporting teachers, pedagogy, and student achievement.

Paraprofessionals or classified employees are prepared to work in their role through yearly staff notification sessions (online and in-person) as well as trained to work with colleagues and students through staff development sessions and meetings. They may also receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are selected workshops offered through West End SELPA for both certificated and classified personnel.

Non-instructional support staff is prepared to work in their role through yearly staff notification sessions (online and in-person) and ongoing staff development during the day meetings/sessions around topics related to state and local policies, procedures, and practices.
