# Windrows Elementary School School Accountability Report Card Reported Using Data from the 2013-14 School Year Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district
  office.

#### School Description and Mission Statement (Most Recent Year)

#### SCHOOL MISSION

The staff at Windrows Elementary is dedicated to creating a challenging and exciting environment to promote self-confidence, strong feelings of self-worth and self-esteem. By providing a wide variety of academic and enrichment activities, students begin planning for the future by setting goals today.

#### **DISTRICT & SCHOOL PROFILE**

Etiwanda School District serves over 13,500 TK-8 students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. The district currently operates twelve TK-5 elementary schools and four middle schools (grades 6-8) and a Community Day School. Etiwanda's graduating eighth grade students are served by Chaffey Joint Union High School District for grades 9-12. Home schooling program, preschool program, transitional kindergarten and day care are provided at some schools within the district. More information about these programs may be acquired through the district's web site or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

Windrows Elementary is a small, neighborhood school in a planned community located in the southwest quadrant of the district's boundaries. Currently, in the 2013-2014 school year, 615 K-5 students are enrolled.

# A. Conditions of Learning

## **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

#### Year and month in which data were collected: September 2013

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

On September 26, 2013 the Etiwanda School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1314-24 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

<sup>\*</sup> Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Windrows Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1987; ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate improvements.

Windrows Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well maintained, beautiful campus.

School staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. School administrators, teachers, and school office staff coordinate efforts to prepare and submit work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal and day custodian communicate on a daily, informal basis to discuss campus maintenance and safety concerns. Etiwanda School District's Director of Maintenance and Operations (M&O) meets with the principal once a month to discuss maintenance-related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O then meets with the custodian to conduct a comprehensive inspection of the school site; a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report on the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

Windrows Elementary's custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian's daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. The day custodian checks restrooms frequently throughout the day as a proactive measure in keeping facilities safe, stocked, and sanitary.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of grounds keepers each week to maintain Windrows Elementary's landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

# **B. Pupil Outcomes**

## **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- · The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# C. Engagement

## **State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (Most Recent Year)**

Parents are encouraged to be involved in their child's learning process by attending school events, serving on a school committee, and volunteering at the school. The staff welcomes parents' assistance in the classroom and chaperoning field trips. Back to School Night, Open House, Family Fun Night, Father's Day Picnic, Pancake Breakfast, Founder's Night, Field Day, Play Day, Mother's Day Tea, Donuts with Dad's, monthly Windrows Nights Out, and PTA-sponsored activities provide opportunities for parents to interact with school staff while supporting their child's efforts. The School Site Council (SSC), English Language Learners Advisory Committee (ELAC), and Parent Teacher Association (PTA) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school office or their child's teacher at (909) 899-2641.

School-to-home communication takes place in a variety of formats. The PTA issues a newsletter to update parents on what's happening in school, upcoming events, seasonal topics, PTA meeting dates, health and safety tips, fundraising projects, and student recognition announcements. The school's web site features general information about the school and its activities, programs, and staff. Teachers host individual web sites to post classroom news, homework assignments, and student activities information. The school marquee, flyers, automated telephone system, and parent conferences are used to convey important messages, reminders, and announcements concerning students and school activities.

Parents may access ESPRI (Etiwanda Student Parent Resource Interface) to view resources that support student learning, study skills, research, and enrichment. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to Windrows Elementary and the district.

## **State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

#### **School Safety Plan (Most Recent Year)**

The Comprehensive School Site Safety Plan was originally developed for Windrows Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Windrows Elementary's most current school safety plan was reviewed on December 10, 2012, updated on December 2014, and shared with school staff on December 2014.

#### **Professional Development**

All training and curriculum development at Etiwanda School District revolves around the California Content Standards and Frameworks. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, and state content standards.

During the 2011-2012 school year, Windrows Elementary staff participated in two district sponsored staff development days focused on data analysis. Administrators and teachers collaboratively analyze student performance data using state and district assessment results to identify and develop classroom curriculum to increase student proficiency in language arts and math.

The district sponsors professional development to supplement current programs and support ongoing districtwide program implementation. Training sessions were offered throughout the school year and included:

- SB472 MacMillan Math Training
- Technology
- Behavior & Classroom Management
- Effective Teaching
- English Language Learners (instruction)
- Small Group Instruction
- Creating a Healthy Environment
- Language Arts, Math, & Science
- Principal Training
- Accelerated Reader
- Substitute Training
- Read Naturally
- Step Up To Writing
- Teaching Ideas & Practices
- Summer School Intervention & Tutoring Training

Etiwanda School District supports school administrators, new teachers, veteran teachers, substitutes, and instructional assistants in developing their teaching skills. Principals and assistant principals may attend AB430 Etiwanda state approved training to develop and improve leadership skills.

Induction/BTSA (Beginning Teacher Support and Assessment), a state-sponsored program, is designed for first and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. A list of Induction/BTSA training courses are available on the district's web site. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers. Etiwanda School District has a staff of highly qualified and specially trained veteran teachers who provide BTSA support for the district's teachers.

Etiwanda School District encourages substitute teachers working in the district's schools to participate in specially-designed training sessions addressing effective classroom management and teaching strategies. The principal may request instructional assistants to attend district-sponsored training sessions to better support classroom learning.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are a number of workshops offered through West End SELPA for certificated and classified personnel.
