

VALLEY PREPARATORY SCHOOL

REDLANDS, CALIFORNIA — ESTABLISHED 1957

2018 SPRING BREAK ENGINEERING CAMPS

SCIENCE | TECHNOLOGY | **ENGINEERING** | ART | MATH

PARTNERED WITH

CODE EDITOR

MINECRAFT MODDING IN JAVA

Begin by exploring the world of **Video Game Design & Development** with our **Code Kingdoms Java : Minecraft Modding Camp!** Programming and coding are becoming necessary skills for various fields of engineering. Students Take on the role of a 3D gameplay programmer, or level designer in this highly collaborative experience. **(Ages 9 and Up)**

Is your student under 9 years old? We have Video Game camps for you as well!

Our Software Engineering classes are based on Scratch which is a coding platform developed by the Massachusetts Institute of Technology. In our classes, students age 5-8 will write programs and utilize their problem solving and critical thinking skills to debug their programs to achieve the lesson objective. In the afternoon, students will get to enjoy one of our many lessons in our junior robotics program. **(Ages 5 - 8)**

Camps start as low as \$299!*
*Prices Vary based on Location

Scholarship Opportunities to those who qualify
