School Accountability Report Card

Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Description and Mission Statement (Most Recent Year)

SCHOOL MISSION

The staff of Caryn Elementary School is dedicated to the development of all students who through problem solving experiences, physical fitness, and overall academic excellence will demonstrate the skills necessary to be productive citizens showing personal accountability and sensitivity for themselves and a global society.

DISTRICT & SCHOOL PROFILE

Etiwanda School District serves over 13,000 TK-8 students residing in the cities of Rancho Cucamonga and Fontana. The district currently operates twelve TK-5 elementary schools and four middle schools (grades 6-8) and a Community Day School. Etiwanda's graduating eighth grade students are served by Chaffey Joint Union High School District for grades 9-12. Home schooling program, preschool program, and day care are provided at some schools within the district. More information about these programs may be acquired through the district's web site or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

Caryn Elementary is a small, neighborhood school in a planned community located in the northwest region of the district's boundaries. Caryn is a California Distinguished School serving 566 students in grades TK-5. Approximately one-half of the school enrollment is comprised of transfer students living outside the site boundaries.

District-sponsored, fee-based child care is available Monday through Friday for Caryn Elementary, school-age students. The child care center is open from 6:30 a.m. to 6:00 p.m. Participating students are provided enrichment activities in art, music, literature, and physical education. More information about the day care program may be obtained from the district's web site or school office staff.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Low-Poverty Schools in District	100.00	0.00

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Year and month in which data were collected: September 2014

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of Language Arts. The current Language Arts program was continued from the previous state adoption. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

On September 11, 2014 the Etiwanda School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1415-22 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Pearson, OWLs, Opening the World of Learning 2012 (TK) Houghton Mifflin, A Legacy of Literature 2002 (K-5)	No	0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Caryn Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1989; ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

Caryn Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained, beautiful campus.

School staff and the district’s maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers notify either school office staff or the custodian to request completion of unscheduled projects. Designated office staff or the custodian prepares and submits a formal work order to M&O for resolution. Emergency situations or safety issues are given high priority and resolved immediately by site or district custodial staff.

The principal and day custodian meet on a daily, informal basis to discuss campus maintenance and safety concerns. Etiwanda School District’s director of maintenance and operations (M&O) meets with the principal once a month to discuss maintenance-related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O then meets with the custodian to conduct a comprehensive inspection of the school site; a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

Caryn Elementary’s custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian’s daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of grounds keepers each week to maintain Caryn Elementary’s landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

California Physical Fitness Test Results (School Year 2013-14)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	19.6	22.8	46.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents are encouraged to be involved in their child’s learning process by attending school events, serving on a school committee, and volunteering at the school. The staff welcomes parent assistance in the classroom and with school wide activities. All volunteers are required to attend a volunteer meeting. Back to School Night, Open House, student concerts, and PTA-sponsored activities provide many opportunities for parents to interact with school staff while supporting their child’s efforts. The School Site Council and Parent Teacher Association (PTA) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents/Guardians who would like to volunteer their time may contact the school secretary at (909) 941-9551.

School-to-home communication takes place in a variety of formats. On a weekly basis, students take home a “Wednesday Folder” which contains completed assignments and memos from school staff. The office issues a monthly school calendar updating parents on what’s happening in school. The school’s web site features general information about the school and its activities, programs, and staff. Parents may access ESPRI (Etiwanda Student Parent Resource Interface) to view student data, grades, and assignments. The district and school web sites provide resources that support student learning, on-line textbook access, and general information. The district maintains an online mailing list for parents who wish to receive email announcements and messages related to Caryn Elementary or the district. The school marquee, flyers, automated telephone system, and parent conferences are used to convey important messages, reminders, and announcements concerning students and school activities. Teachers and administration contact parents directly to share positive student achievements or discuss concerns.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
Suspensions	0.2	0.4	.3	1.9	1.5	2.05	5.7	5.1	4.4
Expulsions	0.0	0.0	0.0	0.0	0.0	2.0	0.1	0.1	0.1

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

School Safety Plan (Most Recent Year)

The Comprehensive School Site Safety Plan was originally developed for Caryn Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Caryn Elementary’s most current school safety plan was updated on October 17, 2014 and shared with school staff on November 18, 2014.

Professional Development

All training and curriculum development at Etiwanda School District revolves around the California Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, and state content standards.

During the 2013-14 school year, Caryn Elementary staff participated in two district sponsored staff development days focused on data analysis. Administrators and teachers collaboratively analyze student performance data using state and district assessment results to identify and develop classroom curriculum to increase student proficiency in language arts and math. Throughout the school year, staff development activities were integrated into staff meetings; training topics included grading/evaluation, math, Common Core Standards, and emergency procedures.

The district sponsors professional development to supplement current programs and support ongoing district wide program implementation. Training sessions were offered throughout the school year and included:

- Common Core State Standards - ELA and Math (SBAC / Scope & Sequence, practices and approaches)
- Technology - Math online program
- ESD Technology (New teachers and Induction)
- Classroom Management (New teachers and Induction)
- English Language Learners (instruction)
- Principal Training (SBAC, CCSS, Kagan and Induction)
- Accelerated Reader
- Substitute Training
- Read Naturally
- Behavior Management (SPED) – (Induction & New Teachers)
- Kagan Cooperative Learning
- Step Up To Writing
- Phonemic Awareness
- Towards Equity (Induction)
- Project Read

Etiwanda School District supports school administrators, new teachers, veteran teachers, substitutes, and instructional assistants in developing their teaching skills. Principals and assistant principals may attend AB430 Etiwanda state approved training to develop and improve leadership skills.

Induction/BTSA (Beginning Teacher Support and Assessment), a state-sponsored program, is designed for first and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. A list of Induction/BTSA training courses are available on the district's web site. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers. Etiwanda School District has a staff of highly qualified and specially trained veteran teachers who provide BTSA support for the district's teachers.

Etiwanda School District encourages substitute teachers working in the district's schools to participate in it's specially-designed training sessions addressing effective classroom management and teaching strategies. Instructional assistants to attend district-sponsored training sessions or SELPA directed training to better support classroom learning.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are a number of workshops offered through West End SELPA for certificated and classified personnel.
