## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-17)

#### SCHOOL MISSION

We will reach for the stars, for the stars are in reach. We will learn all we can from those who teach. A teacher, principal, parent, or friend, can help put the stars within reach in the end. We will all work together, learning each day. We know education is golden, and Golden we will stay!

#### DISTRICT & SCHOOL PROFILE

The Etiwanda School District has provided 'Excellence in Education' for students since its beginning in 1883. The district has grown from a rural one-school district to a mid-sized suburban district that provides an exemplary instructional program for approximately 14,000 students at 16 school sites: twelve (TK-5) elementary schools and four (6-8) middle schools. The district also offers a Preschool Program and Transitional Kindergarten. The rich history of the Etiwanda school system and the value of education have always played an important role in this community. Etiwanda School District serves students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. Etiwanda's graduating eighth grade students are served by Chaffey Joint Union High School District for grades 9-12. More information about Child Care and Preschool may be acquired through the district's web site or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

John L. Golden Elementary serves 890 students who reside in the northwest quadrant of the district's boundaries. Student success is valued, and attributed to a dynamic teaching staff, dedicated support staff, and strong parental involvement. Education of the whole child is valued at Golden. In addition to a rigorous academic instruction, students benefit from programs that support the arts, hands-on science through gardening, and community service.

District-sponsored, fee-based child care is available Monday through Friday for John L. Golden Elementary school-age students. The day care center is open from 6:30 AM to 6:00 PM. Participating students are provided enrichment activities in art, music, literature, and physical education. More information about the day care program may be obtained from the district's web site or school office staff.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	39	39.7	39	
Without Full Credential	1	1	0	0

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	100.0	0.0
High-Poverty Schools in District	100.0	0.0
Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: September 2015

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

On September 15, 2016, the Etiwanda School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 1617-29 which certifies as required by Education Code §60119 (1) that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes. Prior to adoption, parents may preview recommended instructional materials at the district office for a period of 30 days.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw Hill, Wonders (K - 5th grade)	Yes	0%
Mathematics	Houghton Mifflin Harcourt, California GO MATH! (K - 5th grade)	Yes	0%
Science	Houghton Mifflin, California Science (K – 5th grade)	Yes	0%

## School Facility Conditions and Planned Improvements (Most Recent Year)

John L. Golden Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2001; ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

John L. Golden Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained, beautiful campus.

School staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. The school secretary is responsible for the preparation and submission of work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal has an open door policy and encourages the custodian and Etiwanda School District's director of maintenance and operations (M&O) to discuss any maintenance related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O meets with the custodian to conduct a comprehensive inspection of the school site; a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

John L. Golden Elementary’s custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian’s daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Restrooms are checked frequently throughout the day as a proactive measure in keeping facilities stocked, safe, and sanitary.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of grounds keepers each week to maintain John L. Golden Elementary’s landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2016-17)**

Parental involvement is very important to Etiwanda School District and John L. Golden Elementary School. This state priority as part of LCAP is critical for our school to continue to strive for excellence in education.

Etiwanda School District organized multiple community forums that allowed parents to participate in discussions with site administrators from across the district and district administrators. During these sessions, parents were provided with a presentation from our Assistant Superintendent of Curriculum and Instruction about Etiwanda’s Local Control and Accountability Plan (LCAP). Parents then participated in small group discussions to provide feedback. In August of 2016, the district and each school site provide opportunities for parents to provide feedback for the direction of the district and school site. This was done at Back to School Night in an effort to encourage parental involvement through these parent surveys that were available electronically or paper. Additionally, at John L. Golden Elementary, an additional survey was sent to parents in grades 3-5 to provide feedback for direction of after school activities that parents and students would be interested in for the current school year. This has helped to shape a variety of new programs that we now offer here at Golden.

Parents are encouraged to be involved in their child’s learning process by attending school events, serving on school committees, and volunteering at the school. The staff welcomes parent assistance in the classroom, library, preparing classroom materials, and chaperoning field trips. Back to School Night, Open House, student programs and performances, Family Movie Nights, Reindeer Lane, and PTA-sponsored activities provide many opportunities for parents to interact with school staff while supporting their child’s educational program. The School Site Council (SSC), English Language Advisory Council, and Parent Teacher Association (PTA) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school secretary (Laura Jordan) or clerk (Lorene Lord) at (909) 463-9105.

School-to-home communication takes place in a variety of formats. The principal issues a bi-monthly newsletter to update parents on what’s happening in school, upcoming events, seasonal topics, PTA meeting dates, health and safety tips, fundraising projects, and student recognition. The school’s web site features general information about the school and its activities, programs, and staff. The school marquee, flyers, automated telephone system, classroom newsletters, and parent conferences are used to convey important messages, reminders, and announcements concerning students and school activities.

Parents may access Aeries.net (Etiwanda Student Parent Resource Interface) to view resources that support student learning, study skills, research, and enrichment. Parents are able to receive e-mails every time their child takes an Accelerated Reader test through Renaissance Place. This provides them with quick updates of how their child is progressing on his or her reading comprehension. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to John L. Golden Elementary and the district.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2016-17)

The Comprehensive School Site Safety Plan was developed for John L. Golden Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, anti-bullying policy, sexual harassment policy, and dress code policy. John L. Golden Elementary’s most current school safety plan was reviewed and updated in September 2015. Parent and staff representatives reviewed and approved the School Safety Plan during a School Site Council meeting in October 2015. In addition, the district's School Resource Officer reviewed and approved the plan.

- Towards Equity (Induction)
- Special Populations (Induction-General Education)
- Project Read
- Step Up to Writing
- District Adopted English Language Arts Publisher Training

Etiwanda School District supports school administrators, new teachers, veteran teachers, substitute teachers, and instructional assistants in developing their teaching skills. Since the 2012-2013 school year, the primary/major areas of focus for staff development were aligned to the new academic standards (Common Core State Standards), 21st Century learning and teaching, technology, Universal Access, and meeting the needs of special populations and our English learners. Areas selected are based on state and local policies and student need. In addition to the above, data analysis of state summative assessments, local diagnostics, as well as formative classroom assessments determine professional development focus areas. Professional development is delivered through multiple methods: individual support, grade level teams, one-day during the work day sessions (grade level or grade span specific), conference style self-selected topics, as well as outside vendor sessions, based on site needs.

All teachers are supported during this implementation period through multiple district sponsored professional development opportunities such as publisher sessions, district professional development sessions, district/site representative articulation, grade level collaboration, and site staff meetings. In addition to the above, teachers may seek in-class support from professional development providers. All staff members are encouraged to attend additional, non-district-sponsored workshops and conferences. New teachers, experienced teachers, TOSAs, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools.

New teachers are enrolled into the ESD Induction Program, a state-sponsored program designed for first- and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over a two year period. Candidates attend specific sessions related to implementation of district technologies, assessments, and scope and sequences. In addition, new teachers attend (prior to the start of the school year) sessions on equity, special populations, classroom management, and pedagogical approaches and practices. Monthly Induction support meetings focus on implementation and growth within the California Standards for the Teaching Profession.

Teachers experiencing difficulty or in need of improvement may voluntarily select or be required to participate in the Peer Assistance and Review process. A consulting support teacher is assigned to the teacher. The support teacher meets on a regular basis with the teacher, observes the classroom, and makes suggestions for staff development.

Etiwanda's Professional Development Providers/Teachers on Special Assignment (TOSA) further develop their capacity to instruct and support teachers through professional reading, outside vendor conference attendance, and professional collaborative workshops on supporting teachers, pedagogy, and student achievement.

Paraprofessionals or classified employees are prepared to work in their role through yearly staff notification sessions (online and in-person) as well as trained to work with colleagues and students through staff development sessions and meetings. They may also receive additional job-related training from vendors, department supervisors, and district representatives. In addition, there are selected workshops offered through West End SELPA for both certificated and classified personnel.

Non-instructional support staff is prepared to work in their role through yearly staff notification sessions (online and in-person) and ongoing staff development during the day meetings/sessions around topics related to state and local policies, procedures, and practices.
